Subject: Release of Updated Contract Year 2025 Part C Bid Review OOPC Model

CMS notifies all Medicare Advantage organizations that an updated Contract Year (CY) 2025 Part C Bid Review Out-of-Pocket Cost (OOPC) Model is now available for use in calculating CY 2025 Part C OOPC values.

The updated CY 2025 Part C OOPC Model corrects an issue related to the Maximum Plan Benefit and Maximum Out-of-Pocket (MOOP) periodicity for dental benefits. The updated version may be accessed at: <https://www.cms.gov/medicare/coverage/prescription-drug-coverage/out-of-pocket-costs>.

We encourage all Medicare Advantage organizations to use this updated version to prepare CY 2025 bids.
