SUBJECT: NOTICE: November Drug Manufacturer Call on Implementation of IRA Medicare Provisions

The purpose of this memorandum is to notify drug manufacturers that the Centers for Medicare & Medicaid Services (CMS), Center for Medicare hosts calls on an ad hoc basis on implementation of the Medicare provisions of the Inflation Reduction Act of 2022 (Public Law 117-169). The next call will be held on Tuesday, November 19th from 1:00 PM-2:30 PM EST.

CMS is committed to engaging our partners and the communities we serve throughout the policymaking and implementation process, including the implementation of the Inflation Reduction Act. Aligned with our strategic pillar, CMS created this forum to provide drug manufacturers the opportunity to ask questions and provide feedback to CMS on issues related to the implementation of the Medicare provisions of the new law.

The November 19th call will focus on the [Medicare Transaction Facilitator \(MTF\) Information Collection Request](#) (ICR) and the Medicare Prescription Drug Inflation Rebate Program provisions finalized in the [Calendar Year \(CY\) 2025 Medicare Physician Fee Schedule Final Rule](#). The 60-day comment period for the MTF ICR will close on December 27, 2024. Interested parties may submit feedback on the MTF ICR at this comment submission [link](#). CMS will also present information about onboarding for manufacturers to the online portal for the Medicare Prescription Drug Inflation Rebate Program.

CMS welcomes submitted questions before the call, which can be emailed to IRAREbateandNegotiation@cms.hhs.gov, indicating “11/19 Discussion Question - Manufacturer” in the subject line.

To register for the call, [please click here](#). **Registration will close at 5:00 PM EST on Friday, November 15th**. The Zoom link and an agenda with additional details will be sent to registrants in advance of the meeting. Please allow some time to receive the e-mail with this information; Zoom links will not be sent automatically after registering and will come from Zoom.

Please note that the registration link for this event is associated with one email address and device.

Note, this call is limited to drug manufacturers. Manufacturers with HPMS access should use their P# (i.e., HPMS Contract ID) to register for this call. Manufacturers having issues accessing HPMS or recalling their P# can reach out to the HPMS Access Help Desk (hpms_access@cms.hhs.gov) for assistance.
