SUBJECT: Revised New York FIDA-IDD-Specific Reporting Requirements and Value Sets Workbook

The purpose of this memorandum is to announce the release of the revised Medicare-Medicaid Capitated Financial Alignment Model Reporting Requirements: New York FIDA-IDD-Specific Reporting Requirements and corresponding New York FIDA-IDD-Specific Value Sets Workbook. These documents provide updated technical specifications and applicable codes for the state-specific measures that the FIDA-IDD Plan is required to collect and report under the demonstration. As with prior annual update cycles, the New York FIDA-IDD-Specific Reporting Requirements were revised to update applicable dates and references; however, no other substantive changes were made as compared to the prior version dated February 28, 2023. There were also no changes to the New York FIDA-IDD-Specific Value Sets Workbook. Nevertheless, we encourage the FIDA-IDD Plan to carefully review the specifications and value sets to ensure ongoing accurate reporting.

The FIDA-IDD Plan must use the updated specifications and value sets for measures due on or after May 31, 2024. Should you have any questions, please contact the Medicare-Medicaid Coordination Office at mmcocapsreporting@cms.hhs.gov.
