

## **Action Required – Citizenship or Immigration Status Verified but Consumer Must Re-enroll in Marketplace Coverage**

A consumer may be required to submit documents that confirm or add to information they entered on the Marketplace application. Their Eligibility Notice will include a list of acceptable documents and instructions for submitting them.

We send this “Action Required” notice when a consumer’s enrollment in Marketplace coverage was previously terminated, but they become eligible to re-enroll because the Marketplace verified the consumer’s U.S. citizenship or immigration status using documentation the consumer submitted. The notice advises the consumer that they’re eligible to re-enroll in Marketplace coverage through a 60-day Special Enrollment Period that begins when they return to the Marketplace. The notice also explains their next steps:

- Call the Marketplace Call Center at 1-800-318-2596 to re-enroll in the Marketplace.
- Request to have their re-enrollment apply going forward, or beginning the day after their previous Marketplace enrollment ended.
- Choose a different Marketplace plan, or re-enroll in the same plan.

Finally, the notice reminds the consumer to respond to any other Marketplace notices they received that require more documentation to verify other parts of their coverage application so that they don’t lose their health coverage, along with any financial help they might be getting.

Consumers may also be required to submit documents confirming their annual household income, access to other health coverage, and other information. To learn more about submitting documents requested by the Marketplace and see lists of acceptable documents, visit [HealthCare.gov/verify-information/documents-and-deadlines](https://www.healthcare.gov/verify-information/documents-and-deadlines).

**ACTION REQUIRED: The Health Insurance Marketplace verified your citizenship or immigration status. You need to take action to re-enroll.**

This notice affects: [REDACTED]

You're getting this notice because you **need to take action to re-enroll in Marketplace coverage.**

We successfully verified citizenship or immigration status for the individual listed above using one or more documents you submitted.

**However**, if you have received other notices asking for additional documents to confirm other information you included on your coverage application (like household income), you still need to submit those documents to the Marketplace so that you can keep your health insurance, along with any financial help you may be getting.

Your enrollment through the Marketplace was previously terminated, but you're now eligible to re-enroll through a Special Enrollment Period **within 60 days of returning to the Marketplace.**

**What to do next**

- **Call the Marketplace Call Center at 1-800-318-2596 to re-enroll.** Let them know that you received a notice from the Marketplace that your citizenship or immigration status is verified, and you would like to re-enroll through the Marketplace.
- **You may request to have your enrollment apply retroactively or going forward.** The retroactive enrollment will begin the day after your previous Marketplace enrollment ended, and you must pay your share of the premium for the entire period your coverage is effective. This can help with any health care expense you had after Marketplace coverage ended. Or, you may enroll in Marketplace coverage going forward only.
- **You may choose a different Marketplace plan, or re-enroll in the same plan.** If you select the same plan, any payments you made during the year toward the deductible and out-of-pocket limit may be credited to your coverage.

If you select a different plan, payments already made toward your deductible and out-of-pocket limit will likely not be credited to your coverage.
