<sup>1</sup> Acute/no unit is an acute hospital without a distinct-part inpatient rehabilitation unit; acute/unit is an acute hospital with a distinct-part inpatient rehabilitation unit; rehab is a freestanding rehabilitation hospital.

<sup>2</sup> Multiple settings refer to patients using two or more settings for Part B therapy.

<sup>3</sup> Number of patients is a national estimate (the 5 percent sample data are multiplied by 20).

Note: SNF is skilled nursing facility. CORF is comprehensive outpatient rehabilitation facility. ASC is ambulatory surgical center. HHA is home health agency.
