

Presurvey Preparation

USE the ESRD Core Survey Data Worksheet, section I or STAR

- **REVIEW** the facility current FY Dialysis Facility Report (DFR) accessed at dialysisdata.org
 - Guided DFR review of key outcomes data
 - Note where facility does not meet national averages
- **REVIEW** facility survey history
- **CONTACT** the applicable ESRD Network
- **DETERMINE** preliminary data-driven focus areas for survey

COPY Section II of ESRD Core Survey Data Worksheet to give to facility during Introductions
